COCKTAILS

GIN & TONIC

Nothing says summer like a G&T. Enjoy some of our favourite selected gins the way they should be enjoyed, with simply a mixer and botanicals that complement the gin. Served in a balloon glass because we're fancy like that.

Four Pillars Bloody Shiraz	16
Strangelove bitter lemon, raspberry, orange slice	
Husk Distillers Ink Gin	16
Strangelove No.8 tonic, radish, lemon twist, sea salt	
Poor Toms Strawberry Gin	16
Strangelove Light tonic, mint, strawberries	
Applewood Gin	16
Strangelove Dirty tonic, orange twist, lemon myrtle	
Patient Wolf Dry	16
Capi lemon, hibiscus flower, grapefruit	
Archie Rose Signature Dry	16
Capi Native tonic, lemon twist, lavender	
Larrikin Sunburnt Country Gin (50.7%)	16
Strangelove No.8 tonic, saltbush, davidson plum	
Poor Toms Sydney Dry Gin	16
Strangelove salted grapefruit, lemon, rosemary	

COCKTAILS

Punch-Drunk	18 / 8
Dead Mans Drop spiced rum, pineapple puree, bitters, lime	
<i>Like the unpredictability of the ocean or Melbourne's weather dive into our Australian version of a rum punch. Salty, sweet and oh so tasty.</i>	

Plumb Pillars	20 / 10
Four Pillars Rare gin, orange liqueur, lemon, davidson plum	

It won't have you perfectly upright but it definitely tastes good!

Rhubarb Dragon	20 / 10
Dragon fruit infused White Light vodka, lemon, dragon fruit, rhubarb bitters, egg white	

Unlike the dragons living in the wild in Australia we've tamed this one, and it appears on command.

Love of a lifethyme	18 / 8
23rd Street Rose vodka, Manly Spirits limoncello, lemon, thyme	

Easy drinking on a warm day by the river with a bit of bite. We promise it's not a waste of your thyme.

Phillip Island Iced Tea	22
Patient Wolf gin, Tromba Blanco tequila, White Light vodka, Beenleigh rum, orange liqueur, Strangelove smoked cola, lemon iced tea, mint	

We didn't hold back on this one, another Aussie twist on a summertime favourite. We imagine it won't last as long as the list of ingredients.

Strawberry & Basil Smash	20 / 10
Starward Two Fold, apple, lime, strawberry, House made strawberry gum syrup, basil	

Versatility is a wonderful thing and all the ingredients to this fresh summer sipper are. You'd be amazed what you can do with basil outside of sauce.

Bloody Margarita	18
Tromba Blanco tequila, lemon, blood orange, jalapeño peppers	

Margaritas are made for summer and what's hotter than a chili margarita? Salty, sour and sweet with a bit of spice.
